### Beverage Services

Most Caterers only provide beverages through the end of dinner, leaving you without anything to drink for the remainder of the event. By letting the Astin Mansion provide this service, your guests will have access to non-alcoholic beverages for the entire duration of your event! This is especially important for kids and non-drinkers. The Astin Mansion provides the following beverages at \$1.50 per person and are self-serve stations.

Tea & Water Display, Lemonade & Punch Display, Coffee Bar, & Hot Chocolate Bar
